

2012 Hat Promotion

Our very popular discount hats are back again for 2012! If you don't know how it works, here are the details: buy an embroidered FYN straw hat or ballcap, wear it into the Nursery (and around town would be nice), and in return get a 15% discount on most items for the entire year. It's an easy way to get a discount every time you come into the Nursery, and our hats provide some protection from the sun too.

You get 15% off of your other items at the time of your hat purchase. And it's a great gift idea for your favorite gardener too.

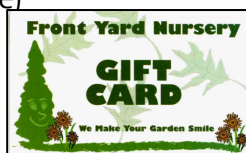

Guidelines:

- Hats are available for purchase through May, 2012, or while supplies last.
- Hats are \$22.95 each, net price.
- When you wear your 2012 Front Yard Nursery hat into the Nursery, most of your purchases will receive a 15% discount. *Items not discounted are: irrigation and other net items, already discounted items, sod, and anything else that is deemed not appropriate to discount by management, however most purchases apply.
- Not applicable with any other discount.
- Hat discount is good through December 31, 2012.

EMPLOYEE SPOTLIGHT

Kenny Chambers is employee of the season this winter. Kenny started working at the Nursery in the late spring in Production. He has proven to be a very valuable member of our team. He does his tasks without complaint, is always punctual, and never misses a day of work. Besides his many production duties, Kenny also makes deliveries.

In his earlier years Kenny was a machinist and he retired from that profession. When he is not at the Nursery, you can find him helping out his son with his landscaping or building a chicken coop,

and playing with his two granddaughters. Kenny also enjoys photography and a variety of music. He lives in Placerville. Thanks,

Kenny, for a being a model FYN employee. We appreciate it!

Congratulations, Cindy Zack!
